

Indiana Department of Education
SUPPORTING STUDENT SUCCESS

CERTIFICATION OF SCHOOL TECHNOLOGY PLAN

PRESENTED TO
0035, South Adams Schools

7/1/10 to 6/30/11

The above referenced school corporation's technology plan is hereby certified for purposes of participation in the Universal Service Fund (USF) discount program. This means that the technology plan meets or exceeds the requirements set forth by the Schools and Libraries Division of the Universal Services Administrative Company (USAC).* The plan includes:

- *Clear goals and a realistic strategy for using telecommunications and information technology to improve education;*
- *A professional development strategy that ensures staff know how to use the technologies to improve education;*
- *An assessment of the telecommunications services, hardware, software, and other services that will be needed to implement the strategy; and*
- *Provisions for sufficient budget to acquire and maintain the hardware, software, professional development, and other services needed to implement the strategy; and*
- *Evaluation processes designed to monitor progress toward the specified goals and that allow mid-course corrections in response to new developments and opportunities.*

John Keller, Director of Learning Technologies

April 1, 2010

*The plan(s) and amendment(s) on which this approval is based are on file in the Indiana Department of Education. Separate approvals may be required for receipt of federal and state funds apart from E-rate discounts. This approval certificate signifies that the plan and its contents meet the requirements of the E-rate discount program as set forth by the FCC, USAC, and other responsible entities. This certificate expires at the end of the E-rate year listed above.
